Church in Latin America

Today, we will take up the Collection for the Church
in Latin America. Your gifts to the collection will
fund catechesis, pastoral programs, marriage and
family life projects, Seminarian education, and many
other necessary programs in Latin America and the
Caribbean. By funding these programs, the support
you give today will provide seeds to grow the faith for
years to come. **Please support the Church in Latin
America and be generous in today's collection.** To
learn more about how your gifts make a difference, go

HERO

A Hero God has sent to me.

With gentle strength and quiet pride,
All self-concern is set aside.
To reach out to his fellow man,
And be there with a helping hand.

Heroes are a rarity,
A blessing to humanity.
With all they give and all they do,
I'll bet the thing you never knew,
My hero is my DAD

No matter what your age, your Dad
will always be your DAD!

Most Holy Trinity

Jesus promised to send us the Spirit of Truth to be our guide. Before we can receive this guidance we must first know how to listen. Do you know how to listen to the Spirit? Can you discern what is of the Spirit and what is simply your own rationalization to justify what you want to do? Just like learning to play an instrument, it takes practice to hear the spirit and discern what is of the Spirit and of what is of yourself. It takes learning to quiet yourself so you can hear what the Spirit is saying. It requires us to seek guidance from someone more experienced in the spiritual life. If there does not seem to be such a person in your life right now, begin by reading books on spirituality and ask the Spirit to send you a guide to help you. It also takes prayer – every day. Ask for the grace to know and follow the guidance of the Spirit.

CHUCKLES

A DOCTOR answered the phone and heard the familiar voice of a colleague on the other end of the line. "We need a fourth for poker," he said.

"I'll be right over," the doctor whispered.

As he was putting on his coat, his wife asked, "Is it serious?"

"Oh quite," the doctor said gravely. "Why there are three of us there already!"
